Groceries for Viking Island

Email to info@vikingisland.ca

Or mail to: Viking Island, Box 1574, Red Lake, ON, Canada, POV 2MO

The Stock items are supplied in your cabin. The list of things to bring is just a guide. You can bring your own groceries or order them through us. Orders are filled by our local grocer. Orders will be waiting at the base for you to take to camp. Important: Groceries without beverages should weigh about 40 or 50 lbs per person and are part of your 100 lb weight limit. Beer, soda and bottled water weigh a lot, so we take these orders into camp ahead of time. Please consider ordering beverages from us to cut down on weight for your trip to camp.

There will be one opportunity to order additional supplies during your stay. We supply potatoes and onions.
